~~~~~

Whereas, Covid-19, is declared as a global pandemic by the World Health Organisation and Government of India has declared it as a disaster and announced several measures to mitigate the epidemic. Government of Kerala, has deployed several stringent measures to control the spread of the epidemic.

And whereas, SRO notification issued by Govt of Kerala as Kerala Epidemics Diseases, Covid 19, Regulations 2020 in official gazette stipulates that all possible measures shall be incorporated to contain the disease.

And whereas, by government orders referred above, certain restrictions in the form of lockdown are being implemented in the district from 8th May 2021 to 16th June 2021 and the Government by orders as mentioned in reference (6) above has decided to enforce restrictions after categorizing the Local Self Government Institutions on the basis of average weekly TPR as follows:

| CATEGORY | CRITERIA                                                    |
|----------|-------------------------------------------------------------|
| A.       | Average TPR below 8% (Areas with low spread)                |
| B.       | Average TPR between 8% and 20% (Areas with moderate spread) |
| C.       | Average TPR between 20% and 30% (Areas with high spread)    |
| D.       | Average TPR above 30% (Areas with critical spread)          |

And whereas, the District Authority has examined the matter in detail and is convinced that based on the above criteria and average weekly TPR, the Local Self Government Institutions in Thiruvananthapuram shall be categorised and restrictions shall continue to further contain the spread of Covid 19. And now therefore, I, Dr. Navjot Khosa IAS, District Collector & Chairperson of District Disaster Management Authority under the powers vested with me as the District Authority to invoke the provisions envisaged in the sec 26, 30 and 34 of the Disaster Management Act 2005 and passes the order as follows :
