Vegan Food – The new trend from the lens of the Indian Legal scenario

In order to curb the sale of fake vegan foods, food regulator FSSAI has come out with regulations defining what constitutes vegan foods and listed various specifications to be followed for the manufacture, sale and import of such food items. Food Safety and Standards Authority of India (FSSAI) has come out with the Food Safety and Standards (Vegan Foods) Regulations, 2022. The regulator had brought the draft regulations in September 2021. After considering objections and suggestions received from the public in respect of the draft regulations, the FSSAI has come out with the new regulations.

In this blog, we will analyse the global trends around vegan foods, their definition, and the key requirements for compliance by Indian Food Business Operators...[Read the blog](#).
